"Too Long"

Visit "[Too Long](#)" on MotoLyrics.com

I've been outside my window looking in for a change,
and what i've seen let me tell you, isn't the least bit
strange, my landlady she puts her head into my room,
her nose must be as long as the
E of a broom, but you, you amaze me when you
suddenly show up, protesting your innocence and
proclaiming your love, but it's been too long, since you
went away, too long, you know there's no cha
Ou staying, too long, baby, but you should know that,
after seven whole years you still want me back, it's
been too long baby, take my advice, you can walk out
on me once but you can't do it twi
F life is what you make it then you'll have to agree, in
my life i've had more that i a lifetime's misery, it's not
that i'm complaining, you know i wouldn't do that, but in
our firm when there'
Uble, it's me who gets the sack, but you, you amaze me
with your big blue eyes, you thought me seeing you
would be nice surprise, but it's been too long, too long
since you went away, too long,
You hear what i'm saying, to
O long, baby, why won't you be told, sure i cared about
you once but that was long ago it's been too long baby,
go ahead and cry, you can walk out on me once but you
can't do it twice, too long,
, why won't you be told, sure i cared about you once but
that was long ago go on back to the life that you said
you had found, don't bother me with your ups and your
downs, oh i don't understand
Someone like you, turns up like this out of the blue, too
long, baby, why won't you be told, sure i cared about
you once but that was long ago it's been too long baby,
you heard what i said, it'
If you had returned from the dead, too long baby.
