I used to be smart  
Got A in an open heart  
Plus Highly inflammable bees  
I will if you ask  
Buzz into a flask  
Filled up with cold coffee and tea

Just said it today  
We go away and play  
You'll buy us a toffee or two  
With bottles of wine  
To drink when we dine  
Down at the Ritzy  
Where people get tipsy  
On mints strongly so  
Lemon and lime, orange juice  
Citrus fruits  
Spring from the vine

And just in case you  
Refer to my I.Q.  
As being unbelievably low  
Let me tell you this  
With my very first kiss  
I knocked spots off Valentino  
With the rudy-o-doe
