Candlelight and soul forever
A dream of me and you together
Say you believe it, say you believe it
Free your mind of doubt and danger
Be for real don't be a stranger
We can achieve it, we can achieve it

Come a little bit closer baby
Get it on, get it on
Cause tonight is the night
That 2 become 1

I need some love like I never needed love before
(Wanna make love to ya, baby)
I had a little love now I'm back for more
(Wanna make love to ya, baby)
Set your spirit free
It's the only way to be

Silly games that you were playing
Empty words we both were saying
Let's work it out girl, let's work it out girl
Any deal that we endeavor
Boys and girls go good together
Take it or leave it, take it or leave it

Are you as good as I remember baby
Get it on, get it on
Cause tonight is the night
That 2 become 1

I need some love like I never needed love before
(Wanna make love to ya, baby)
I had a little love now I'm back for more
(Wanna make love to ya, baby)
Set your spirit free
It's the only way to be

Solo

Be a little bit wiser baby
Put it on, put it on

Cause tonight is the night
That 2 become 1

I need some love like I never needed love before
(Wanna make love to ya, baby)
I had a little love now I'm back for more
(Wanna make love to ya, baby)
I need some love like I never needed love before
(Wanna make love to ya, baby)
I had a little love now I'm back for more
(Wanna make love to ya, baby)
Set your spirit free
It's the only way to be

It's the only way to be
It's the only way to be...
