Can't sing the blues in this crowded room
If nobody will buy me a drink
A simple drink, it's unhappy hour
Bury me on Bourbon St.
I lost the power over you
I miss the power over you

Let's celebrate, all the cheap things
Sucking down booze with my strength
What happened to the naked truth
It vanished with the weakest fight
I lost the power over you
I miss the power over you

Blue Grass Mosquito, Blue Grass Mosquito
lots the power over you

Can't sing the blues in this crowded room
If nobody will buy me a drink
A simple drink, it's unhappy hour
Bury me on Bourbon St
