I'd cut you off, but you're under my skin
Your fangs are hanging off of your lips
You're dragging me down
Now I'm stranded again
My home is your shipwreck

Shameless is a town where I come from
I got the worst house on the street
Dropping Out
Is there anywhere I wanna go
Dropping Out
Is there anyone I wanna be
It's so lonely in this town
I'm Dropping Out

Mid-day blackouts and Vicodin cocktails
I'm seeing things that don't exist
Faking the cold sweats, a bad flashback
Yer my enemy and my friend

Shameless is a town where I come from
I got the worst house on the street
Dropping Out
Is there anywhere I wanna go
Dropping Out
Is there anyone I wanna be
It's so lonely in this town
I'm Dropping Out

Fallin' for you
Is like fallin' off the world
N whatchya gonna do
N where ya gonna go

Is there anywhere I wanna go
Is there anyone I wanna' be
Is there anywhere I wanna go
Is there anyone I wanna' be

I'm droppin' out - 4X
