"Sea Of Skin"

Slide deep down waterslide glide, it's time to recover
your life. slipping the eclipse of sin, lets concentrate on
the pin. Wonderland of beauty starring naked with our
eyes. Fuck the sea of skin, control the role of the
matadors twin. Paradise spelled with ice, you can't
think twice

Live with what you win, fuck the sea of sin, slide deep
down waterslide glide, it's time to recover your life,
fuck the sea of skin, control the role of the matadors
twin

You wont know what to bring to the table, welcome to
the fable of the ingrown navel.
