I love you most when we share a place
Those special good times together
It seems like our love can't get much better, no
'Cause we were as close as two could be
We knew love would last forever
We're more than just lovers, we're good friends
And even if our love could drift away
I wouldn't even think twice if I wanted love back again

Because I'd still say, "Yes" to you again
My darling for you I'd do it all again
Yes I'd still say, "Yes" to you again
Darling for you I'd do it over and over again
To you ya know I'll say, "Yes"
Oh my darling, oh my darling only for you

Where does it go, how does it end?
True love it seems so easy
'Cause we have no doubts where we belong
They say time can heal a broken heart
And true love never ends
So why not start where we began?

Because I'd still say, "Yes" to you again
My darling for you I'd do it all again
Yes I'd still say, "Yes" to you again
My darling for you I'd do it over and over again

They say time can heal a broken heart
And true love never ends
So why not start where we began, baby?

Say, "Yes" to you again
My darling for you, oh yeah
To you, ya know I'll say, "Yes"
My darling for you
Say, "Yes", baby oh yeah
Say, "Yes", yeah to you baby
And over and over again, yeah
Say, "Yes" to you baby to you baby
I'd still say, "Yes" to you baby
