Love, your love has a way
Of making me stay
My soul tells me, I've found my true love

I won't walk away
I'll never give up on love
Never say goodbye

I know that it's over
Between you and I
But my heart will always
See you as mine

Love, your love has a way
Of making me stay
My soul tells me, I've found my true love

I won't walk away
I'll never give up on love
Never say goodbye

So many nights I sit here alone
Waiting and hoping for your love to come home
My heart belongs to you and only you
I could never give up on a love so true

Love, your love has a way
Of making me stay
My soul tells me, I've found my true love

I won't walk away
I'll never give up on love
Never say goodbye

You know that I love you
(Love, your love has a way)
You know that I need you
(Of making me stay)
You know that I'll never, I'll never let you go
(My soul tells me, I've found my true love)

So many nights

(I won't walk away)
I sit here alone
(I'll never give up on love)
And I'm waiting and hoping for you to come home
(Never say goodbye)

Love, your love has a way
Of making me stay
My soul tells me, I've found my true love

I won't walk away
I'll never give up on love
Never say goodbye
