If I

if i was a young boy ready to die whould u bring pain
whit tears
hoping i'd lurn to fly
hopin the angels whould bring me hope and pride so i
couldnt say goodbye

but should i still b afraide but y im i afraide 2 die
why imi still afraide to live my life and grow up
& right a letter to my unborn child unborn wife
but evryday i try n try so hard that i cry.
its 'cause my brain is filled whit memories and shame
filled whit hope filled whit anygirl that whould show me
her world.

but fuck im already running out what ic got to say
but plz god oh god my lord let me stay for a nother day
if i had a nother way if i had a better mind
id lurn too pray on evrything iv got 2 say but hey iv got
this far

i know i might as well quit now i aint gon br a star
im gon drive a 1870 tempo shit whouldnt even get to
the bar
but IF I

if i was a young boy ready to die whould u bring pain
whit tears
hoping i'd lurn to fly

hopin the angels whould bring me hope and pride so i
couldnt say goodbye

evryday for me is a day whit tears sum i'd fear sum i
whould say cheers
sumtimes i wanna quit and just be normal for a bit
but i still try hard on evrything iv got into my heart
pumping 4.2.7 beats per sec as i let my head right
say if i whould stay alive and pray whould god give me
hes hand
& shake n take my priere 2 the last stand.
dear god what i do i do wrong what
can i do 2 make it true a nother song
thaty goes like this if i was a young boy ready to die
whould u bring pain whit tears

hoping i'd lurn to fly
hopin the angels whould bring me hope and pride so i
couldnt say goodbye
"cha" fuck the world then take me to fucking hell i dont
give a fuck..
click clack boom shit..but i still love you god its time to
gay goodbye
