Body: Where'd You Go Remix For Bryan

Body: Where'd You go

Where'd you go? I miss you so

Seems like it's been forever that you've been gone

i can work all night that dont bother me im not afraid
to cry for bry once in a while but just let me be but thats
what bother's me the lost love in ur eyes n not seeing u
cry.. thats what i was trying to do but all u did was just
walk away letting us back on what we've got 2 say its
hard thinking the sad lost of my best friend or seeing
ur face in the news papper or tv Were'd u go man i
miss so it seems like its been forever plzz come back
home but whats hurts me the most is seeing u go
having noting to say watching u glide away seeing that
light in ur face the smile once in a while here i go the
tears running down my face looking for u but not a
trace evry january 9 or 27 i bring u flowers then i cry
for hours saying Were'd u go but evry january 9 or 27 i
cry for u to come back so i stand up todaii n just walk
away n live my life thru a nother day .. saying Wh'ere
u Go..

Where'd you go? I miss you so

Seems like it's been forever that you've been gone

Where'd you go? I miss you so

Seems like it's been forever that you've been gone

Please Come back Home

i see ur mom once in a while whit ur baby sister drving
around too the mail box or just in town keep thinking
theres missing u and ur dad to make the familly
complete then ur mom whould have her dream come
true..then u and me u n steph whould be together as
best friends i aint saying u aint my best friend 'cause
ur true the me ur in my heart thats were u are but very
close that ur here whit me light in ur face like i made a
dare in the darkness of my room hell i still see u there i
aint scared i know its u but damn i still miss you still
look at ur picture evryday making a priere so deep that
i cant even staire at ur picture then i cry inside that i

lose my pride 'cause i can never say good-bye for a 2
last time...
