Don't Want no short dick Man(x4)  
What in the world is that fucking thing  
Do you some fucking Tweezers to put that little thing  
away  
That has got to be the smallest Dick I have ever  
seen...In my whole life  
Get the Fuck outta here  
Innie Wennie tinny wenny shriveled little short dick

Dont want no short dick man(x4)  
Innie Wennie tinny wennie shriveled little short dick  
man(x2)

Isnt that cute an extra belly button  
You need to put you pants back on honey  
Dont want no short dick man  
Innie Wennie tinny wennie shriveld little short dick man  
Do you need some little tweezers to put tht thing away  
That has got to be the smallest dick i have ever  
seen...in my whole life  
Get the Fuck outta here
