But I knoe ..that u knoe .. that I knoe
That everybody in here likes to have a little sex

You dont knoe what im gonna do to ya
You do like sex right?
You wanna another drink?
Whats your name again?

Your swingin and swangin
Hae Mr. DJ
Keep the music playin
The speakers bumpin

The crowd is jumpin
So I can keep my... keep my body humpin
Baby .. Im feelin kinda horny..oh baby
Put your body on me ..and baby
I wanna ride it like a pony..sooooooo
Do ya wanna .. do ya wanna..do ya..do ya

Does anybody wanna have sex tonite
Pure unadulterated sex tonite
Does anybody wanna have sex tonite
Pure unadulterated sex tonite

Now..now I may be a little drunk.. I mean tipsy
And I may be a little horny (hiccup!)
But.. you got a condom?

Does anybody wanna have sex tonite
Pure unadulterated sex tonite
Does anybody wanna have sex tonite
Pure unadulterated sex tonite
