Some bright morning, when this life is over  
I'll fly away  
To that home on God's celestial shore  
I'll fly away  
I'll fly away, oh glory  
I'll fly away, in the morning  
When I die, hallelujah by and by  
I'll fly away  
When The shadows of this life have gone  
I'll fly away  
Like a bird from these prison walls I'll fly  
I'll fly away  
I'll fly away, oh glory  
I'll fly away, in the morning  
When I die hallelujah by and by  
I'll fly away  
Oh how glad and happy when we meet  
I'll fly away  
No more cold iron shackles on my feet  
I'll fly away  
I'll fly away, oh glory  
I'll fly away, in the morning  
When I die, hallelujah by and by  
I'll fly away  
I'll fly away, oh glory  
I'll fly away, in the morning  
When I die, hallelujah by and by  
I'll fly away  
Just a few more weary days and then  
I'll fly away  
To a land where joys will never end  
I'll fly away  
I'll fly away, oh glory  
I'll fly away, in the morning  
When I die, hallelujah by and by  
I'll fly away  
I'll fly away
