Nobody knows what waits ahead  
Beyond the earth and sky

Lied, lied, lie  
I'm not afraid to die

And there the work of my own hand  
Be broken by and by

Lied, lied, lie  
I'm not afraid to die

Sometimes it finds me fast asleep  
And wakes me where I lie

Lied, lied, lie  
I'm not afraid to die

Forget my sins upon the wind  
My hobo soul will rise

Lied, lied, lie  
I'm not afraid to die

Lied, lied, lie  
I'm not afraid to die
