Take a breath  
Take a deep breath now  
Take a breath  
A deep breath now  
Take a breath

When you're down is where you find yourself  
When you drown there's nothing else  
If you're lost you'll need to turn yourself  
Then you'll find out that there's no-one else

To make the moves that you can do  
When you fall from grace your eyes in blue  
Your every breath becomes another world  
And the far horizon's living hell

Take a breath  
A deep breath now
