Everybody freeze

Down on da ground?(repeat 17x)

Gillie I'm the king of Philly yes  
So \*\*\*\*\* bow down and kiss the ring and show respect  
These hatas talking \*\*\*\*\* but no these hatas ain't a  
threat  
See everything I do you know I do it for a check  
You see I keep my Cartier frames and my Seven jeans  
saggin  
And my platinum chains in that black on black dragon  
Know the kids stay laughing when the cops run up on

Get down on the ground (what?) get down on the  
ground  
I say shorty slow your roll cus you ??drawing??  
I had done changed my number 3 times you keep  
calling  
Way I move that work my niggas call it u-haulin  
Why you always broke your paper Lucy you stallin  
Every \*\*\*\*\* and whip that I got it looks foreign  
I done spent that cool 5 grand up at the mall and  
100 thousand dollars on that jems now that's flossin  
You spent 40 thousands on that Benz that's ballin?  
(naw)

Up in the hood man you know what's good we make em  
Get down on the ground get down on the ground  
You suckas be talking \*\*\*\*\* til I pull up on they strip and  
tell them  
Get down on the ground get down on the ground  
The cops run on my block guns cocked and they yelling  
Get down on the ground get down on the ground  
Up in the club spend that dough if you drop it to the  
floor we make you  
Get down on the ground get down on the ground

Let these niggas know the deal

If you know the kid then you know that I am real  
And all a sudden I done came across a few haters  
Wanna see me locked up guess they read the  
newspapers (\*\*\*\* em)  
You know I stay hustling and my team stay grindin  
So my niggas they grubbin and the figures we shinin  
And you know I keep that pistol in case this \*\*\*\*\* got a
