Every day is the same thing  
Blowing out all of that cush

Puttin all of in that bush,

Be off the ladder, be off Patron,  
Ainâ€™t the more nigga let today,

[Hook:]

Letâ€™s go, letâ€™s go, letâ€™s go  
Classy women no bimples,  
Pulling up with no bandanas,  
Iâ€™m rounding round in those penthouses,  
We gambling, no get smoke,  
Only ride for my king foe,  
Getting dough, youâ€™ve been broke,  
Youâ€™re walking round in that.. bro  
F\*cking with me smell mack ten smoke.  
On top we gonna stay there, big the game we donâ€™t
