Sleigh bells ringing  
Quire singing,  
Wondering what ole Santa's bringing  
It's the warm and fuzzy time of year

Snow flakes fall  
The temp is dropping  
Families out together shopping  
It's the warm and fuzzy time of year

Elves are working over time  
Making all our toys  
Reindeer hooves on all the roofs  
Good little girls and boys  
Big old cups of steaming cider  
Fall asleep by the cozy fire  
It's the warm and fuzzy time of year

Elves are working over time  
Making all our toys  
Reindeer hooves on all the rooves  
Good little girls and boys  
Big old cup of steaming cider  
Fall asleep by the cozy fire

It's the warm and fuzzy time of year
