Take a breath
Take a deep breath now
Take a breath
A deep breath now
Take a breath

When you're down is where you find yourself
When you drown there's nothing else
If you're lost you'll need to turn yourself
Then you'll find out that there's no-one else

To make the moves that you can do
When you fall from grace your eyes in blue
Your every breath becomes another world
And the far horizon's living hell

Take a breath
A deep breath now
