"Until We Sleep"

Dance, to the movement of the stars

Sing till the walls around us ring

Pray that it never fades away

Until we sleep

Feast, go ahead now, take your fill

Drink, till the room begins to sway

Play, and your cares will blow away

Until we sleep

Into a deep and dreamless sleep our spirits fall

And what we sow we cannot reap nor keep at all

Work, though the work will break your back

Rest, hope to feel your spirits rise

But the years, have cut you down to size

Now go to sleep

Into a deep and dreamless sleep our spirits fall

And what we sow we cannot reap nor keep at all
