I've lost my mind
On what I'd find
And all of the pressure that I left behind
On Allison Road

Fools in the rain
If the sun gets through
Fire's in the heaven of the eyes I knew
On Allison Road

Dark clouds file in when the moon was near
Birds fly by A.M. in her bedroom stare
There was no tellin' what I might find
And I couldn't see I was lost at the time...

On Allison Road

Yeah, I didn't know I was lost at the time
On Allison Road

So she fills up her sails
With my wasted breath
And each one's more wasted than the others you can
bet
On Allison Road
Now I can't hide
(On Allison Road)
So why not drive
(On Allison Road)
I know I want to love her but I can't decide
On Allison Road

I didn't know I was lost at the time
Eyes in the sun where the road wasn't wide
And I went looking for an exit sign
All I wanted to find tonight...

On Allison Road

Yeah, I didn't know I was lost at the time
On Allison Road

I've lost my mind
If the sun gets through
Fire's in the heaven of the eyes I knew
On Allison Road

On Allison Road
(On Allison Road)
