Sitting in the back of a car
Music so loud, can't tell a thing
Thinking 'bout what to say
And I can't find the lines

You know I love you a lot
I just don't know, should I not?
Waiting for a brighter day
But I can't find the way

I'll go on and on with you
Like to fall and lie with you
I'd love you too
Woah, woah, woah

Baby, I'm too afraid
I just don't know if it's okay
Tried to get away
From everything

Why don't you take me home?
It's gone too far inside this car
I know I'll feel a whole lot more
When I get alone

I'll go on and on with you
Like to fall and lie with you
I'd love you too
Woah, woah, woah

Sitting in the back of a car
Music so loud, can't tell a thing
Thinking 'bout what to say
But I can't find the lines
