I know what you're doing, I see it all to clear
I only taste the saline, when I kiss away your tears
You really had me, wishing on a star
But the black hole that surround you
Are heavier by far
I believed in your confusion
You were so completely torn
It must have been that yesterday
Was the day that I was born
Not much to examine
Nothing left to hide
You really can't be serious
If you have to ask me why
I'll say goodbye

'Cause I am barely breathing
And I can't find the air
Don't know who I'm kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I Don't suppose it's worth the price
Worth the price
The price that I would pay

Everyone keeps asking
What's it all about
I used to be so certain
But now I can't figure out
What is this attraction
I only feel the pain
There's nothing left to reason
And only you to blame
Will it ever change

'Cause I am barely breathing
And I can't find the air
Don't know who I'm kidding
Imaginig you car
And I could stand here waiting
A fool for another day

But I don't suppose it's worth the price
Worth the price
The price that I would pay
But I'm thinking it over anyway

Thinking it over anyway

I've come to find
I may never know
If your changing mind
Is a friend or foe

I rise above
Or sink below
With every time
You come and go
Please don't come and go

'Cause I am barely breathing
And I can't find the air
Don't know who I kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I don't suppose it's worth the price
Worth the price
The price that I would pay
But I'm thinkig it over anyway

I'm thinking it over anyway

I know what you're doing
I see it all to clear
