You know I can't pretend  
It's not an accident  
I have become somebody else

So much I want to say  
You see me everyday  
I wish that I could shout it out

You gotta run  
This world ain't standing still  
Gotta believe  
You can make it up that hill

You gotta know  
You can have anything  
You gotta be  
The best that you can be  
But don't change for me

Some things I try to hide  
You see through my disguise  
When you are tearing down the walls

You're gonna figure out  
I know without a doubt  
These things don't matter much at all

You will be free

But you gotta run  
This world ain't standing still  
Gotta believe  
You can make it up that hill

You gotta know  
You can have anything  
You gotta be  
The best that you can be  
But don't change for me

Sorry is not a word  
I want to use so easily

I need to know that  
Life won't pass you by

You gotta run  
This world ain't standing still  
Gotta believe  
You can make it up that hill

You gotta know  
You can have anything  
You gotta be  
The best that you can be  
But don't change for me

This world ain't standing still  
Gotta believe  
You can make it up that hill

You gotta know  
You can have anything  
You gotta be  
The best that you can be  
But don't change for me  
But don't change for me

You know I can't pretend  
It's not an accident  
I have become somebody else
