Did you see the sky I think it means that we've been lost
Maybe one less time is all we need
I can't really help it if my tongue's all tied in knots
Jumping off a bridge it's just the farthest that I've ever
been and

Anywhere you go, I'll follow you down
Anyplace but those I know by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far

I know we're headed somewhere, I can see how far
we've come
But still I can't remember anything
Let's not do the wrong thing and I'll swear it might be
fun
It's a long way down when all the knots we've tied have
come undone

Anywhere you go, I'll follow you down
Anyplace but those I know by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far

How you gonna ever find your place?
Running in an artificial pace
Are they gonna find us lying face down in the sand?
So what the hell now, we've already been forever
damned

Anywhere you go, I'll follow you down
Anyplace but those I know by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far

Anywhere you go, I'll follow you down
Anyplace but those I know by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far

I'll follow you down, but not that far
I'll follow you down, but not that far
