"Fool For The Taking"

Tangled up and twisted and I don't know what to do
I'm living with Marie Antoinette,
She's living with a fool
Life with her majesty has got one golden rule:
No matter what she will let me forget
That I can't have her cake and eat it too

Pre-chorus

Bring me in and take me down
There's nothing I wouldn't do

Chorus

I'm a fool for the taking
So, baby take me down
I'm a fool for the taking
I'm not that dumb, but I don't mind faking
A fool for the taking
Yeah, a king without a crown
A fool in the making
I can take what you give, 'cause you got me hypnotised

Wrapped in your velvet robe,
On your princess phone
Are you afraid to find out what might
Happen when I get you all alone?

Pre-chorus

Chorus

Repeat
