She came to L. A.
All the way from Boston town
And she wound up on the screen
Where I saw her goin' down

But now I can't see you
I can't see you at all
No I don't know you
I don't know you at all

I bought her films
Yeah I bought all her magazines
And then I watched her every move
'Til I saw her in my dreams

But now I can't stand it
See you caught from behind
No I don't know you
Girl you've gotta be mine

Keli Richards come on, come on, come on, come on
Keli Richards come on, come on, come on, come on
Keli Richards

Keli Richards come on, come on, come on, come on
Keli Richards come on, come on, come on

Well I bought a gun
There's just one thing left to do
But now I can't make up my mind
It comes down to me or you

But now I can't see you
I can't see you at all
No I don't know you
I don't know you at all

Keli Richards come on, come on, come on, come on
Keli Richards come on, come on, come on, come on
Keli Richards come on, come on
Keli Richards come on, come on, come on
