Summer came too early  
Springtime came too late  
The weather went from freezing  
To bleached out summer days

Hold up in your bedroom  
Hangin' like two thieves  
Countin' up the hours  
For the perfect time to leave

Woo hoo  
We're learning the hard way  
Woo hoo  
It just don't matter what they say

Nighttime through this desert  
Drivin' straight out west  
Stop for gas and coffee  
You close your eyes for rest

I wonder what you're dreaming  
Why we're half way cross this bridge  
We've come too far too turn back  
We're just too close to quit

Woo hoo  
We're learning the hard way  
Woo hoo  
It just don't matter what they say

Woo hoo  
We're learning the hard way  
Woo hoo, woo hoo

Pent up in your bedroom  
Hangin' like two thieves  
Countin' up the hours  
For the perfect time to leave

Woo hoo  
We're learning the hard way  
Woo hoo

It just don't matter what they say

Woo hoo

We're learning the hard way

Woo hoo, woo hoo

Woo hoo, woo hoo

Woo hoo, learning the harder way

Woo hoo, learning the harder way

Woo hoo, learning the harder way

Woo hoo, learning the harder way
