You're such a mystery
It's never clear to me
You're always leaving me second guessing

All I wanna know is
Baby where you go
Where you been when you come up missing

Miss Disarray
(Miss Disarray)
You swim in the pouring rain
And I'm holding on in vain

The more I try the more that I
Just feel so far away
Miss Disarray
Miss Disarray

We started carelessly
Leading you to me
Kisses sweet but complicated

A happy ending girl
I knew you'd never be
Burned so bright but sadly faded

Miss Disarray
(Miss Disarray)
You swim in the pouring rain
And I'm holding on in vain

The more I try the more that I
Just feel so far away
Miss Disarray
Miss Disarray

There's no pretending
That happy endings
Will ever see me through
So the story goes and I'm not over you

Kisses sweet but complicated

Burning bright but sadly faded

Miss Disarray

You swim in the pouring rain

The more I try the more that I

Just feel so far away

Miss Disarray

You swim in the pouring rain

The more I try the more that I

Just feel so far away

Miss Disarray

Miss Disarray
