Wipe that smile off your face
Do you think it's a joke?
I can't take it
I can't live in my skin
I'm gonna tear it off
I won't fake it

I'm always cryin'
There's no denyin'
I've been livin' but dyin'
It's not a question of if
It's just a matter of when
I'm gonna end it all
Bleed right on the floor
Gone forever more

Chorus
Suicidal advocacy
Is taking care of humanity
Not the others who let me down
I'm standing right up when I hit the ground

You know I frown like a clown
With a tear coming down
I can't fake it
I'll buy a gun that makes no sound
And I'll make it
I wrote you songs to bring you down
I'm the king of pain
See what I do when you're not around
I'm gonna end it all
And bleed right on the floor
Gone forever more

Chorus

I don't want to live this life no more
And I don't want to really change my mind

Chorus variation
Suicidal advocacy
Is takin' care of humanity
Not the others who let me down
I'm standing right up when I hit the ground
Cold hard steel with blood around
I stabbed my heart to death
See what I do when you're not around
I take my livin' breath
