Oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

I got lots of jealous lovers that all wish they had me back  
Got a pistol for a mouth, my old mama gave me that  
Making my own road out of gravel and some wine  
And if I have to fall then it won't be in your line

Everybody's doing it so why the hell should I  
Everybody's doing it so why the hell should I

I'm a bad woman to keep  
Make me mad, I'm not here to please  
Paint me in a corner but my colour comes back  
Once you go black, you never go back  
I'm a black sheep  
I'm a black sheep

I wasn't born a beauty queen but I'm okay with that  
Maybe radio won't mind if I sing a little flat  
I wear my boots to bed, hang a cross up on the wall  
To save me from a shallow grave that wants to take us all

Everybody's doing it so why the hell should I  
Everybody's doing it so why the hell should I

I'm a bad woman to keep  
Make me mad, I'm not here to please  
Paint me in a corner but my colour comes back  
Once you go black, you never go back  
I'm a black sheep  
I'm a black sheep

I'm a black sheep

I'm a black sheep

I got lots of jealous lovers that all wish they had me back

Got a pistol for a mouth, my old mama gave me that

Making my own road out of gravel and some wine

And if I have to fall then it won't be in your line

I'm a bad woman to keep

Make me mad, I'm not here to please

Paint me in a corner but my colour comes back

Once you go black, you never go back

Once you go black, you never go back

Once you go black, you never go back

Once you go black, you never go back

Once you go black, you never go back
