Turn the lights off me
Take your arms from me
I don't see any other way
Close your eyes to me
Keep my love for me when you go
Don't make this too hard to say
at only 16 ; still a beauty queen
Lord I'm dying; let me leave

Goodbye, Goodbye to all of this
I've got this golden ship; oh say it can save me
And tomorrow feels like yesterday
I cannot feel this way; I'm sorry darlin'

And I need no more healin'
For I can't stop the bleedin'
So leave me with this feelin'
And let me have this

One more day with you
One more hour for you... I
Don't see any other way
And don't you see I'm dying
Does this explain my cryin', hopin'
I will not see another day

I'll save a place for you
Mend your heart
Even if you go out
Don't make this too hard
To say at only 16; still a beauty queen
And Lord I'm dying; let me leave

Goodbye, Goodbye to all of this
I've got this golden ship; oh say it can save me
And tomorrow feels like yesterday
I cannot live this way; I'm sorry darlin'

And I need no more healin'
For I can't stop the bleedin'
So leave me with this feelin'
Help me find a way out

I'm gonna keep the pain out
As I can't bare to stay now
At only 16; still a beauty queen
Lord I'm dying; let me leave

Goodbye, Goodbye to all of this
I've got this golden ship; oh say it can save me
And tomorrow feels like yesterday
I cannot feel this way; I'm sorry darling

Goodbye, Goodbye my love
Goodbye Goodbye my love

Release your hands from me
So I can leave
Lastly, I would like to leave with grace
Today is just too hard
Too hard for me to stay
