You been singin' my soul in
And I been singing for you too
Drag mercy on me, babe
Or try patience I plead

But when that sun comes
And that wind slows
I'll meet you there

I lie lonely without you
All my bitterness fed
Still I'm thinking of you, babe
Until I see you, this is all I have

So when that sun comes
And that wind slows
I'll meet you there
Oh, when that wind slows
I'll meet you there

Oh, and when that sun comes
And that wind slows
I'll meet you there
And when that wind slows
I'll meet you there
And when that wind slows
I'll meet you there
And when that wind slows
I'll meet you there
When that wind slows
I'll meet you there
