Silly boy
Meets nice girl
Who didn't think twice
Ended up tongue-tied and turned it into life
Shoulda been nicer
Coulda been wiser
Would have saved my Sundays Lord
If I'd only known about rainbows
Lollipops and love
As the cure
To a Cinderella story working fine

But no not mine
Here we go again
I'm sending out an S.O.S. times two
Coz I've been dead
For the longest time
It makes no sense to do it all again
Anybody knows to learn from woe
So I'm sending out an S.O.S. times two

To fill my shoes
Break my blues
Can be a lonely task with no you
Over there
Me over here
Could I have been happier without
Rainbows
Lollipops and love
As the cure
To a Cinderella story working fine

But no not mine
Here we go again
I'm sending out an S.O.S. times two
Coz I've been dead
For the longest time
It makes no sense to do it all again
Anybody knows to learn from woe
So I'm sending out an S.O.S times two

Tip toe baby taking me through

Summer makes me crazy for you
Ah do ba da bo le la di do
Can you make a lady change her heartbeat
Take away the people you know
Think about the places you fool
Can you let me go where I go
Ah do ba da bo de be coz mama let you be

But no not mine
Here we go again
I'm sending out an S.O.S. times two
Coz I've been dead
For the longest time
It makes no sense to do it all again
Anybody knows to learn from woe
So I'm sending out an S.O.S.
I'm sending out an S.O.S.
And I'm sending out an S.O.S. times two
