Baby, baby now we are through
The day you laid your hands on me
I thought that we would always be friends
But this abuse just had to end

Take all the gifts you bought me back
Don't want them, my love was for free
You're crazy if you think I will stay
I don't want you back
You need to leave

[CHORUS:]

Cause I'm over the ex man
And I'm on the next man
Tread me like the lady I am
Or you lose me, lose me, lose me you will lose
Cause I'm over the ex man
And I'm on the next man
Tread me like the lady I am
Or I find another man that can

I deserve much more than you
I failed to hear what my heart knew
You lied to me about what you do

Your mind (?) is dirty and so are you
Control me like your property
Show me off like a piece of meat
I've had it and nothing's stopping me (?)
I'm leaving, yes, you'd bought monkey (?)

[CHORUS]

Girls, girls, girls why do we always want a bad boy?
You've gotta learn, learn, learn that you can't
change who they are
Bad, bad boys why do you always want a good girl?
Someone who's nice and sweet
We can get naughty in the sheets

[CHORUS]

And over the ex manÂ...
And IÂ'm on to the next manÂ... (x2)

Can you see it boy?
YeahÂ...
You better treat me like a lady
OhÂ...
Can you see it boy?
OhÂ... YeahÂ...
On to the next manÂ...
