Every time I fall for your eyes
Like the raindrops fall from the sky
Every time I hear your name
In this loving game

There is something in the way
Your eyes talk to me
Just as if they seem to say
(Stay here with me, babe)
Just as if they seem to say
(Stay with me)

Every time I fall for your eyes
Like the raindrops fall from the sky
Every time I hear your name
In this loving game

All I need is to express it all
My echo listens
When I hear myself confess
(You are my weakness)
When I hear myself confess
(You are my weakness)

Every time I fall for your eyes
Like the raindrops fall from the sky
Every time I hear your name
In this loving game

I say, I say, I say

Every time I fall for your eyes
Like the raindrops fall from the sky
Every time I hear your name
In this loving game

Every time I fall for your eyes
Like the raindrops fall from the sky
Every time I hear your name
In this loving game

Every time I fall for your eyes

Like the raindrops fall from the sky
Every time I hear your name
