If I had wings

I could fly

Like a sweet song

That makes you cry

Like a river to the sea

I hear you calling out to me

No one else touches me

With a whisper a melody

When you hold me through the night

And you tell me

It's gonna be all right

(1) I belong to you

You belong to me

Naturally, so naturally

Baby

I belong to you

You belong to me

Naturally, so naturally

Baby

I was lost

Without a friend

Then you saved me

From myself again

And there's no one

Gonna take away

The joy you bring me every day

That's no lie

You're the reason why

You belong to me

You belong to me

You know there'll

never be another

Let me be your lover

for eternity

Oh baby can't you see

we are good together

No one's gonna break us apart

You know I gave you my heart boy

Yeah, Yeah, Yeah, Yeah

(1)

Don't you know that...

(1)

Don't you know that...

(1) 2 X

Repeat to fade
