Oh oh oh oh ah
You're my love
You're my sweetest thing
Don't shy waay
Don't shy away
Every night makes me hate the days
Can't get enough
Of your love
Am I wrong, am I so unkind
Show me the way
Don't turn away
I can't hide all these thoughts in my mind
(Ooohh)
Every moment I'm just thinking of you
CHORUS:
Ooh aah
Just a little bit
Ooh aah
A little bit more
Ooh aah
Just a little bit
You know what I'm looking for
Ooh aah
Just a little bit
Ooh aah
A little bit more
Ooh aah
Just a little bit
I'll give you love you can't ignore
Feeling good
Let's go all the way
It's got to be
Set me free
But tonight let my body say
Take it slow, don't let it go
How can I prove my love for you
Baby please, you're all I need
Like a child but it's more than a phase
(Ooohh)
Could act the angel
But it won't be true
CHORUS

can you do for me
Ooh what can you do
Cause I feel so alive
I feel your love inside
Ooh oh
Just a little bit
Little bit more
Just a little bit
Just a little
Just a little bit
Little bit more
Just a little bit
(Wooooo)
CHORUS
