(by Heart)

I hear the ticking of the clock  
I'm lying here the room's pitch dark  
I wonder where you are tonight  
No answer on the telephone  
And the night goes by so very slow  
Oh I hope that it won't end though  
Alone

Till now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone  
How do I get you alone  
you don't know how long i have wanted

to touch your lips and hold you tight  
You don't know how long I have waited  
and I was going to tell you tonight  
But the secret is still my own  
and my love for you is still unknown  
Alone

Till now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone  
How do I get you alone  
How do I get you alone  
How do I get you alone  
Alone, alone
