Look out, look out
Here I come
I'm a little messed up
And I'm only getting started
Got my girls, got my jack
And I'm ready to attack
I feel a little self-destructive

Hey DJ don't stop the music
Gotta keep, keep this body moving
Things aren't quite crazy yet
Need a new drink and a cigarette
Let's add another thing
To my list of regrets

Watch out, watch out
Here I come
Feel the sweat, feel the buzz
Hey boy let me get to know you
Make our way from the bar
To the middle of the floor
I got moves I'm dying to show you

Ringin' in my ear
Feel the kick bass snare
With our bodies this close
There's trouble in the air
I don't got a prayer

Hey DJ don't stop the music
Gotta keep, keep this body moving

Things aren't quite crazy yet
Need a new drink and a cigarette
Let's add another thing
To my list of

I'm an angel in disguise
Every other time
But it's a different story, tonight
I don't think that I can fight it
Don't think I wanna try

I wanna make mistakes
I wanna feel alive

Hey DJ don't stop the music
Gotta keep, keep this body moving
Things aren't quite crazy yet
Need a new drink and a cigarette
Let's add another thing
To my list of regrets

Hey DJ don't stop the music
Gotta keep, keep this body moving
Things aren't quite crazy yet
Need a new drink and a cigarette
Let's add another thing
To my list of regrets
My list of regrets
