Ginette Reno - Beautiful Second Hand Man -1970

I used to sit at home and cry  
The touch of love had passed me by  
But then you came along  
With all those dated routines you've used before  
Worn out faded old daydreams by the score  
But I'm telling you one thing now for sure, baby.

Beautiful second hand man  
You saved my life for me  
Beautiful second hand man  
You taught my eyes to see  
Now I can:  
Live like a woman  
Move like a woman  
Love like a woman can  
Goodbye and may love smile upon you  
Oh, may love smile upon you.

Goodbye goodbye goodbye you second hand man.

I guess I know you've been around  
Because on inquiry I have found  
You broke a dozen hearts  
With all those dated routines you've used before  
Worn out faded old daydreams by the score  
But I'm telling you one thing now for sure, baby.

Beautiful second hand man  
You saved my life for me  
Beautiful second hand man  
You taught my eyes to see  
Now I can:  
Live like a woman  
Move like a woman  
Love like a woman can  
Goodbye and may love smile upon you  
Oh, may love smile upon you.

Goodbye goodbye goodbye you second hand man.  
Goodbye goodbye goodbye you second hand man.

Goodbye goodbye goodbye you second hand man.
