If I showed you  
You would not believe  
That was me  
That was me  
Hmm..

There were horses  
There was donkey and sheep  
Where Iâ€™ve lived  
Where Iâ€™ve lived  
Do-re-mi

It was quiet  
And so natural  
It was nice  
It was nice  
Hmmm

Can you see me?  
In the middle of nowhere?
