Piling up at the pool - Pile up at the pool  
Peeing into the ocean  
Lalallalallala (Passing out in the disco)  
Peeling off.

Losing at the casino  
Drinking wine and tequila  
Lallallalaaaala (Losing at the Casino)  
Throwing up.

Drop the kids off at school  
Putting on after-lotion  
lallallaalala (Sending for a martini)  
Dozing off.

Waking up in a daze  
Argueing with mosquitos  
lallallaalalalaaa  
Pissed off.

Tourist Trap

Save the dollar, mama  
Take the picture and run  
Losen the collar, papa  
This could be so much fun

Trickle trickle dollar  
Take the picture and run  
Platinum and golden  
Burn your skin in the sun

Lallallalaala  
Here we are  
Lallalalalala  
Like the stars
