I don't want to look in no mirror, don't want nothin'  
jumpin' out at me  
I don't want to look in no mirror, don't want nothin'  
jumpin' out at me  
I'd rather live in darkness afraid of what I might see  
I get promised salvation, I feel I'm a good man  
When I' thirsty here in damnation I get a mouth full of  
sand

I said please don't rain down so heavy on me  
I'm your hopeless sinner  
Please let me be

I'm begging for forgiveness  
Father, wash me of my sins  
Give me the last 7 hours so I can try it all over again  
I said please don't rain down so heavy on me  
Well I'm your hopeless sinner  
Please let me be

Felt my heart stop beating, eyes roll back in my head  
Then I started cryin' 'cuz I knew a part of me was dead  
I said please don't rain down so heavy on me  
Well I'm your hopeless sinner  
Please let me be

Will I be remembered now that I'm dead and gone  
Hold a benefit for my family or write me a song  
I said please don't rain down so heavy on me  
Well I'm your hopeless sinner  
Please let me be

Sittin' by the fire down a while ago  
What'll I do with what's left of me, I just don't know  
I said please don't rain down so heavy on me  
Well I'm your hopeless sinner  
Please let me be  
Well I'm your hopeless sinner  
Please let me be  
Well I'm your hopeless sinner  
Please let me be
