That woman took everything and left me for dead  
Took me to the courthouse just to mess with my head  
Left me blinded, beaten down and bloody on the floor  
Well there's too much going on now, I'm only 24  
This is heavy, way too young  
Way too young, Lord and heavy  
I was eighteen when I stopped hitting the booze  
Knew early in life that I was destined to lose  
Things got ugly and I'd walk out the door  
There's too much going on and I'm only 24  
This is heavy, way too young  
Way too young, Lord and heavy  
Out on the street for a decade it seems  
Seen a lot of things that I shouldn't have seen  
Almost got used to sleeping outdoors  
Well there's too much going on, I'm only 24  
This is heavy, way too young  
Way too young, Lord and heavy  
Bad luck runs thicker than molasses down hill  
Hard to tell if I believe what I feel  
Don't know if I can take confusion anymore  
There's too much going on and I'm only 24  
This is heavy, way too young  
Way too young, Lord and heavy  
Used up myself a long, long time ago  
Wasted my time on people I didn't know  
Look at my life I don't know how I'm alive  
Don't know if I'm gonna make it to 25  
This is heavy, way too young  
Way too young, Lord and heavy  
This is heavy, way too young  
Way too young, Lord and heavy
