I hope you know I swear to god
I hope you know that this won't stop [4x]
(god damn, just another heartbreak)

CHORUS:

I swear to god I won't stop until your shaking
(Trust me baby you know I want you to)
And let me slide into you please baby
(And if you're screaming, than I'm screaming too)
If you want it let me bring it, let me sneak into your
house tonight

(Breathe in)
And I'm coming to these terms that my heart won't beat
anymore
(I just can't get it)
Sing along sing if you want,
ten more seconds till we're through the door.
And it's a dance party everyone's looking for,
been drinkin tonight and I won't stop,
when it's a quarter to four daylight is breaking

[CHORUS]

I'll call you in the morning if you think it's right
Is it over? is it over...
It was a dance party, everyone looked just right, I
played you all night,
would you believe me if I told you that I want you,
and everyday I felt this way?
would you take me to the place you know
the one that leaves me all alone...
wait right here just for a minute
we'll talk a little just about it
I will take it slow, I won't let you go.

[CHORUS]

I swear to god I won't stop until you're shaking,
And let me slide into you, please baby [2x]
