Caught up and I can't feel my hands No need to chase
Can you relate? Can you keep up the pace like you're
dying for this?

And when you say "I'm not okay" I left my phone in the
cab

Now you can't get me

I'm only getting started I won't blackout

This time I got nothing to waste

Let's go a little harder

I'm on fire I won't blackout

I'm on my way

I'm only getting started and I can't see your face

Cigarette the wrong way Inhale to the top of my lungs

Are you dying for this?

And when you say "I'm not okay" I left my phone in the
cab

Now you can't get me

I'm only getting started I won't blackout

This time I got nothing to waste

Let's go a little harder

I'm on fire I won't blackout

I'm on my way

I'm only getting started I won't blackout

This time I got nothing to waste

Let's go a little harder

I'm on fire I won't blackout

I'm on my way I'm only getting started

This won't stop til I say so

This won't stop til I say so

This won't stop til I say so

Going and going and going and going and go

This won't stop til I say so

This won't stop til I say so

This won't stop til I say so

Going and going and going and going and go

I'm only getting started I won't blackout
This time I got nothing to waste
Let's go a little harder
I'm on fire I won't blackout
I'm on my way I'm only getting started

I'm only getting started I won't blackout
This time I got nothing to waste
Let's go a little harder
I'm on fire I won't blackout
I'm on my way I'm only getting started

This won't stop til I say so
This won't stop til I say so
This won't stop til I say so
Going and going and going and going and going and
go
I'm only getting started

This won't stop til I say so
This won't stop til I say so
This won't stop til I say so
Going and going and going and going and going and
go
I'm only getting started
