And no red lights down the ride all night oh, oh.
(tell me that you're ready cause I don't wanna hit and run)

Excuse me can I lift you up and take you there.
I set the mood right when I light it up, light it up.
Had me from the first hit, never felt this high before.
Oh, oh, oh, oh, oh
So why don't we take it back
To my place at Atlanta state,
Oh, oh, oh, oh
(don't wanna hit and run)

And no red lights down the ride all night, oh, oh
(tell me that you're ready cause I don't wanna hit and run)

The mood is right, make you come alive, oh, oh
(tell me that you're ready cause I don't wanna hit and run)

This ain't no drive by love, don't want no hit and run
(tell me that you're ready cause I don't no hit and run)
We're sweating so tight, caught up in sweat and skin.
Hot in the moonlight when I fire it up, fire it up.
I got a green light, fading for you finish line.
Oh, oh, oh, oh, oh.

So why don't we take it back
To my place at Atlanta state,
Oh, oh, oh, oh
(don't wanna hit and run)

And no red lights down the ride all night, oh, oh
(tell me that you're ready cause I don't wanna hit and run)

The mood is right, make you come alive, oh, oh
(tell me that you're ready cause I don't wanna hit and run)

This ain't no drive by love, don't want no hit and run
(tell me that you're ready cause I don't no hit and run)
This ain't no drive by love, don't want no hit and run
(tell me that you're ready cause I don't no hit and run)
GO!

And I wanna lift you up.
I wanna take you there.
And I wanna lift you up.
I wanna take you there.

(don't wanna hit and run)

And no red lights down the ride all night, oh, oh
(tell me that you're ready cause I don't wanna hit and run)

The mood is right, make you come alive, oh, oh
(tell me that you're ready cause I don't wanna hit and run)

This ain't no drive by love, don't want no hit and run
(tell me that you're ready cause I don't no hit and run)

This ain't no drive by love, don't want no hit and run
(tell me that you're ready cause I don't no hit and run)
