(It's on now)

Any minute,
(Now that we've seen it all)
Any day now,
(Waiting for your curtain to fall)
Any Second,
(You called but I'm calling you out)

Any minute,
(I've never been one to give in)
Any day now,
(It has to end before we begin)
Any second,
(You called but I'm calling you out)

These eyes they see,
More than you know.
We're all dressed in our best,
so take it or leave it.

(Nobody make a move, everybody on the ground.
let me see your hands, bring the fucking cameras out.
you better use your head, you better use your head.
Before we take it off your mother fucken shoulders)

Any minute
Any day now
Any Second,
(You called but I'm calling you out)

Any minute,
(I've never been one to give in)
Any day now,
(It has to end before we begin)
Any second,
(You called but I'm calling you out)

These eyes they see,
more than you know.
we're all dressed in our best,
so take it or leave it.

(repeat 2x)

I've got all the plans in the world,
to take everyone hostage.

(In the national bank)

Instead of money
I want fame.

Bring on the cameras,

Bring on the lights.

Roll tape, call action.

It's showtime.

Any Minute,

Any day now,

Any Second.

These eyes they see,

more than you know.

we're all dressed in our best,

so take it or leave it.

(repeat 2x)

(fades out with last verse)
