Oh oh oh oh oh oh oh oh oh oh oh
Can't help myself,
You got me on lockdown,
Spinnin' round,
I'm falling in.
Under a spell,
I want you on the floor [on the floor],
I'm falling in.
Your eyes sparkle bright like diamonds,
I'm blinded by the light.
We all search until we find them,
You're reminding me tonight.
When you're loving me,
I can hardly breathe.
When I feel your kiss,
So hard to resist.
I wanna dance all night [all night],
Tonight [tonight].
I wanna be the last one you love.
Oh oh oh oh oh oh oh oh oh oh oh
[That you love, that you love]
We're talking rhythm,
I'm glad you got it.
You do more than talk it,
You can walk it out.
Turn my ignition,
Got me wishing
I could keep you up all night.
You're falling in.
I'm sorry you've been burned before me.
[Afraid you got the right]
We all fall,
No, we can't fight it.
You're reminding me tonight.
When you're loving me,
I can hardly breathe.
When I feel your kiss,
So hard to resist.
I wanna dance all night [all night],
Tonight [tonight].
I wanna be the last one you love.

Oh oh oh oh oh oh oh oh oh oh oh oh
[That you love, that you love]
You're not alone,
You're not alone.
You're runnin' away,
I want you to stay,
Don't throw it away.
I just want to know,
Are you dancing to my radio?
I'm falling in.
You're runnin' away,
I want you to stay,
Don't throw it away.
Tonight...
When you're loving me,
I can hardly breathe.
When I feel your kiss,
So hard to resist.
I wanna dance all night [all night],
Tonight [tonight].
I wanna be the last one you love.
Oh oh oh oh oh oh oh oh oh oh oh oh
[That you love, that you love]
I wanna dance all night, tonight.
I wanna dance all night, tonight.
I wanna dance all night, tonight.
I wanna be the last one you love.
